My Workspaces only visible when user is logged in.

"Recently Updated" icon, to reward projects that were updated within the past X days.

"Active Workspaces" link may be needed if it is unclear to the user how to go back to the Workspaces Landing Page from secondary navigational areas or deeper in the Workspaces area.

Last 5 Announcements across all workspaces that the user has access to.

List is of all tags at the workspace level across all workspaces the user has access to.  
Links will be different sizes and gradations of color based on frequency.  
Link: User goes to a list of workspaces matching tag.
